

The 50 Cent Solution

VOTE-COPE is money used for lobbying to protect all that we think is important in public education. We desperately need people in Albany who support funding for public schools, who will stand up to preserve **pension** and **tenure laws**, and who **will not** allow our right to **collectively bargain** disappear.

“The 50 Cent Solution” is our way of asking those already on payroll deduction to increase their contribution by just 50 cents per pay period. Our goal is \$6.00 per pay period from everyone. If you are not yet at our “minimum” requested contribution of \$6.00 per pay, then we ask you to consider increasing your contribution to that amount immediately. If you are beyond the minimum, then please think about increasing your contribution to this vital fund by at least 50 cents per pay.

Please, please do this now. We thank you in advance on behalf of NYSUT’s 600,000 members and all of New York’s school children. If you are unsure of your current contribution, please contact Pauline Quinones at (914) 329-7274.
